

Great rides in the heart of Europe

With our private groups of up to 10–12 bikes, our tours are more enjoyable, flexible and with a personal attention to your wishes. We customize your ride every day to fit your particular riding style and any special interests you have.

You decide the ride each day. Set your own perfect pace. Explore at your tempo. Decide where your riding wings take you and discover the less travelled road. A look at daily distances will convince you there is enough time to do a lot of sight seeing or serious sport riding. It's your choice every day.

Riders can join their bilingual tour guide or have the freedom to set their own pace and route. Tour guides are experienced, enthusiastic and knowledgeable. They're responsive to your needs and handle all the red tape to help you enjoy an exciting and care-free European motorcycling vacation.

See places you dream about and never dreamed to have existed. Every day you decide which must-see sights are to be combined with off-the-beaten-path surprises. A daily mix of riding highlights on alternate routes are presented to you each day.

Climb the hill and enjoy a ride to the top of the Penser Joch.

With your detailed maps, tour booklet and daily route overviews, we provide just enough structure for you to enjoy your ride. Since your luggage is transported for you from room to room, you travel light and have plenty of space for gifts and souvenirs.

While the ride is important, our tours are not just runs through the countryside. Ride with us on little-known side roads, obscure mountain passes, vineyards and forest trails. Discover the special charm of the local people, explore the various cultures, sample different lifestyles and learn interesting customs. Allow us to exceed your expectations.

At 2 or 3 day stops (rest days), a full range of activities are available to choose, if you prefer not to ride. Rent a bicycle, enjoy a sauna, swim or sunbathe, visit local sights, shop or just plain relax. Rise early for breakfast or sleep-in as you please. On rest day nights at the same location, you can also try other nearby restaurants or of course discover and sample new culinary delights at the hotel where you are staying.

On the Tuesday tour start date, we meet you at the Frankfurt/Main International airport per your travel plans. It is best to arrive in the morning. You travel to a dealer and pick up your motorcycle. Enjoy a short and pleasant ride to your hotel in the city of Mainz in the Rhine river valley. In the late afternoon you participate in a Eurorider and safety slide show followed by a get-together reception and your welcome dinner.

Unfortunately the time arrives when the endless curving roads must end. On your last riding day of Friday, you return to Frankfurt/Main. Travel directly to your dealer and return your bike. Board the comfortable support van waiting for you. Arrive a few minutes later at your hotel with your luggage in your room one last time.

At your evening farewell dinner, eat, drink and be merry as long as you like, depending of course on your departure travel plans the next morning! You can depart at a time of your choice on the Saturday morning tour completion date. All good things must end, but once you have ridden the Alps, you are hooked for life and will want to come back as often as possible searching for that perfect road.
